01 Assessment Details

Training Provider Name	TP Number
Candidate Name	Candidate Number
Assessor Name	Course Number
Assessment Start Location and Loading Point	
Assessment Date	Assessment Start Time
Comments	

At the start of the assessment, the candidate must have a valid tachograph inserted in the relevant part of the vehicle unit (Digital Slot 1). Where applicable, the assessor must insert their valid digital tachograph in the relevant part of the vehicle unit (Digital Slot 2).

On completion of the assessment, the assessor must obtain a driver print-out for both the driver and the assessor (where applicable), or a copy of an analogue tachograph recording and attach them to this form.

SQA may request this practical assessment high level sign off sheet and driver tachograph print-out at any time. Failure to provide these may affect candidate certification.

Yes No

Is the Driver's tachograph print-out attached?

Is the Assessor's tachograph print-out attached?

All items on the next page of this form must be marked as competent or n/a (not applicable) for a candidate to pass the Practical Assessment.

All practical assessment sheets must be accompanied by a tachograph print out, in order to be signed off.
